

- We open our workspace in slack from 9th, November.
- You can join slack from the link in “access information” page. Please identify yourself by the account name, "Firstname.Familyname_Affiliation".
- We will close all the slack channels at the end of 2021.

If you have any troubles in slack, please contact us (JAXA-curation@jaxa.jp).

For oral session:

- The channels (#session1 to #session7) in slack can be used for the discussion after the individual oral presentations. Please post your questions and comments to the appropriate channels.

For poster session:

- Please upload your presentation material for the poster session (.pdf) to the #session-poster channel in slack. Please find your channel (e.g., #p05-nishimura) from the first post in the #session-poster channel. The channels can be used as the discussion space.
- Please take care for the availability of your presentation material uploaded to the slack channel. You can upload the material with the modification from that presented in the Zoom poster session.
- Please include your name in the PDF filename.
